Choose the right Epson printer for you

Expression series

Whether you're printing everyday documents and family photos, or superior quality 6-colour photographs to display, the Epson Expression range gives you the best of both worlds. These versatile and cost-effective all-in-ones include wireless options for easy mobile printing from smartphones and tablets¹. There's even A3 printing options to make a bigger impression.

WorkForce series

Epson's feature-packed range of WorkForce business inkjet printers bring quality, speed and value to any small office. Business inkjets use PrecisionCore, Epson's most advanced printhead technology derived from Epson's industrial inkjet printers, resulting in machines that are reliable, fast, and built to last – that's why WorkForce business inkjets are the professional choice.

*Not all features are applicable to all models – please refer to technical specifications inside for more information. Not all products are available in all countries. For further information please contact your local Epson office or visit www.epson-europe.com

Mobile printing

Epson's range of mobile printing options gives you the freedom to print and share documents, emails, web pages and photos from anywhere¹.
