Installation Safety Instructions

Caution: This mount is intended for use only with the maximum weights indicated. Use with equipment heavier than the maximum indicated may result in instability causing possible injury.

B-Tech AV Mounts, it's distributors and dealers are not responsible for damage or injury caused by improper installation, improper use, modifications, installations over the specified weight capacity and/or failure to observe these safety instructions. In such cases, any warranty will expire.

It is recommended that this product should only be installed by a qualified professional / installer.

B-Tech AV Mounts does not claim any liability for any difficulties that may arise from the interpretation contained in these instructions. Failure to mount this product correctly may lead to serious injury and/or death.

Please check carefully to make sure there are no missing or defective parts - defective parts must never be used.

In the event of missing and/or defective parts, or technical questions, please contact an authorised dealer.

Pay careful attention to where this product is located, some locations are not suitable for installation. For indoor use only. It is recommended that periodic inspections of the product are made as frequently as possible to ensure that safety is maintained.

Please keep these instructions for future reference.

Installation Instructions

Note: Designed to mount BT8390 and BT8392 rails

BT8390 Rail Assembly

1. Attach Joining Plate to Column

- i. Insert 2x *item 2* into both side-channels of a BT8380 column.

- ii. Fit *item 1* onto the front of the column and fix in place using *items 2 & 3*.

2. Fix Rail To Joining Plate

- i. Insert *item 2* into a BT8390 rail
2x the top channel, 2x the bottom channel.

- ii. Place the rail into *item 1* and secure to mounting plate using *items 2 & 3*.

Note: The BT8380-JPR can mount a BT8390 rail facing forward or backwards.

BT8392 Rail Assembly

Mounting A BT8392 Rail To A Column

- i. Insert 4x *item 2* into a BT8392 Rail
(2 in each back channel).
- ii. Fix *item 1* to the rail using *item 4*
- iii. With rail attached, fix *item 1* to a BT8380 column using *items 2 & 3*.
