PRODUCT DESCRIPTION

Install your TV securely and inconspicuously with a celexon TV wall bracket. The narrow design of the "Fixed" models is optimised for installation with the smallest possible wall distance.

With the celexon Fixed-7012 TV mount you can mount your display with a minimal distance of only 12mm to your wall, so no disturbing structure is visible behind your device. With a weight of up to 65kg and a VESA standard up to 600 x 400, this mount is universally suitable for many displays.
