

Smart ideas for the bigger picture.

celexon - your specialist
for home cinema and AV solutions

PRODUCT DESCRIPTION

With the celexon Mobile Chroma Key Green Screen you have the ideal solution for the production of professional broadcasts and video content material.

The high-quality polyester fabric is similarly processed to professional studio fabrics ensuring excellent flatness and a wrinkle-free surface. A very even colour distribution over the entire surface allows optimal results giving you a great professional studio backdrop.

Mobile Chroma Key Green Screen
