celexon - your specialist
for home cinema and AV solutions

PRODUCT INFORMATION

The celexon Economy height adjustable display Trolley Adjust-55110MP with a load capacity of up to 100kg is perfect for use in a range of situations and supports displays from all major manufacturers. The height can be adjusted from 160 - 175cm. The trolley is made from painted steel with 4 heavy duty castors offering easy movement on a solid base. Two lockable castors offer protection against unwanted movement, while you also have the choice of replacing the castors with feet if you do not require a mobile solution.

Thanks to the integrated shelf and a wide base plate, which serves as additional mobile storage space, this trolley offers enormous convenience.
