

# CONGRESS8.3

2 x KYRA24 + 2 x BASO18 + SMQ500

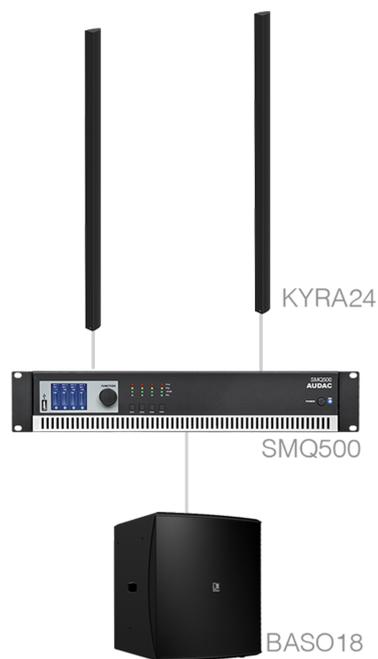

## Product information:

---

When the intelligibility over a medium distance of speech and music is very important, the CONGRESS8.3 set featuring KYRA24 design column speakers and 18" BASO18 bass cabinets is the ideal solution. Powered by an SMQ500 WaveDynamics™ Class-D power amplifier, this system, using two KYRA24 loudspeakers and BASO18 bass cabinets can cover areas of around 250 m<sup>2</sup> with intelligible speech and music, even in acoustically difficult environments.

### Features

- Elegant and slim design
- Intelligibility over large distances
- High-efficiency Class-D amplifier
- WaveDynamics™ technology
- True & impressive bass
