

FESTA7.2E

2 x XENO6 + EPA252

Product information:

The contemporary design of the XENO6 loudspeakers makes the FESTA7.2E set suitable for fixed installations requiring a high-quality and full-range sound without an additional bass cabinet.

Powered by an EPA252 Class-D power amplifier, this system, using two XENO6 loudspeakers, can cover with optimal acoustical performance and protection an area of around 50 m².

Features

Elegant and compact design
