

MENTO2.5

MFA208 + 4 x ATEO2 + 1 NOBA8A

Product information:

With this combination of the MFA208 award-winning all-in-one audio solution and the ATEO2 loudspeakers, you can cover areas of around 200 m² with true-to-nature high-fidelity music and speech.

The extremely compact ATEO2 loudspeakers in combination with the powerful NOBA bass cabinet of only 149mm thick, provide a perfect balance between sound clarity and power can be attained. An excellent acoustical match is accomplished by the WaveDynamics™ technology which also provides a bulletproof protection for your audio system.

Thanks to the integrated SourceCon™ module* slot, the implementation of any available compatible module is made possible, making the MFA208 a true all-in-one solution.

*SourceCon™ modules optionally available:
