

EH-LS650W

Ideal for bigger and more exciting displays, get home entertainment for up to 10 years* with the EH-LS650W, which even when placed close to the wall, can achieve an impressive screen size of up to 120 inches. This stylish projector has 4K PRO-UHD* technology so images are clear, sharp and crisp. With Android TV™ you have access to thousands of movies, shows and games*. Enjoy dynamic audio and 3D surround sound with sound by YAMAHA, which can be used with or without a visual display.

Upgrade your home entertainment experience with Epson's 4K PRO-UHD*, ultra-short-throw laser projection TV. Its stylish design will fit perfectly into your home, and you can immerse yourself in your favourite shows with Android TV and sound by YAMAHA features. You can enjoy a 61 inch image from just 3.2cm away from the wall, with the option to adjust the distance to achieve up to 120 inch, for the ultimate home cinema experience.

The big screen experience

Feel immersed in everything you watch or play with this stylish and affordable 4K PRO-UHD* projector which can produce up to a 120 inch image placed close to the wall. Bringing the screen to life, 3LCD technology achieves a display that is up to three times brighter than competitor products*. Ideal for gaming, with under 20ms* lag time.

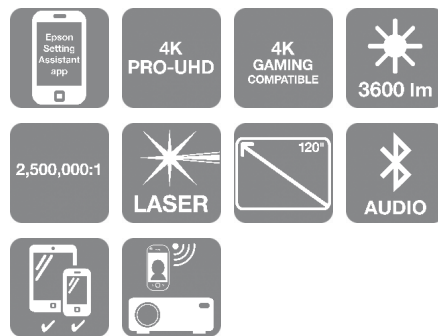

Smart home entertainment

Android TV offers thousands of movies, shows and games from Google Play, Amazon Prime Video, YouTube and other favourite apps*. Built in speakers with sound by YAMAHA produce a stunning dynamic audio and 3D surround sound, which can be used with and without visual display. Simply select the visual display to mute, or you can connect via Bluetooth to use as a standalone speaker to play your favourite music.

Long-lasting solution

Looking for a long-term, hassle-free and affordable solution to replace your TV? With this model's long-lasting laser light source, you'll be able to enjoy entertainment for up to 10 years*.

DATASHEET / BROCHURE

KEY FEATURES

● 4K PRO-UHD* Smart laser projection TV

Even when the projector is placed close to the wall, supersize your favourite films, games and sporting events at home with a screen size of up to 120 inches

● Smart home entertainment

Android TV offers thousands of movies, shows and games from Google Play, Amazon Prime Video, YouTube and other favourite apps*. Enjoy dynamic audio and 3D surround sound with sound by YAMAHA, which can be used with or without a visual display

● Long-lasting solution

With this model's long-lasting laser light source, you'll be able to enjoy entertainment for up to 10 years*

● Superior picture quality
