

PRESENCE SPEED WALL

By the touch of your fingers

Easy, smooth and quiet manual height adjustment

SMS Presence Speed Wall is our wallmount with a clever, soft and quiet manual height adjustment, thanks to the integrated BalanceBox. No electrical power is needed for the height adjustment.

SMS Presence Speed Wall is both elegant and strong. Bolt it to the wall, and it will carry a touch display between 60 and 90 kg.

The SMS Presence Speed Wall will fully hide cables and also has room for a media player inside.

Finish: Aluminum/Dark Grey. Stroke length: 400 mm. Display weight range: between 60 and 90 kg.
