ViewSonic®

FOR MICROSOFT TEAMS ROOMS
# UMB202

Key **Features**

- Sony 4K Ultra HD camera sensor for advanced image processing
- Intelligent auto framing and DOA voice tracking technology
- 6-mic array beamforming soundbar with an 11W speaker

Product **Description**

The UMB202 TeamJoin™ 4K Video Bar System is part of the ViewSonic TeamJoin™ solutions for Microsoft Teams Rooms, optimizing collaboration in meeting rooms of diverse sizes. Boasting a 4K Sony camera sensor, 5x digital zoom, auto-framing, and DOA voice tracking, it delivers a premium visual experience. Complemented by six beamforming microphones, which cover an expansive 8-meter range, and an 11W speaker, the camera ensures crystal-clear audiovisual quality for seamless communication.
