# Control and Connection Box - ELPCB03N

Accessing key functionality on your Epson display has never been easier thanks to the ELPCB03N. This convenient, wall mounted A/V control box perfectly complements Epson's short-throw and ultra-short-throw display solutions by making it easy to access key functionality such as selecting input sources, split screen support (including the use of two HDMI inputs), neat and secure cable management, and even has a user-friendly LED colour change for colour blind users.

Such attention to detail makes this highly-intuitive device the perfect solution for simple, streamlined control of Epson display solutions.
