

New Presence Wall/Floor Motorized

Updated and improved!

SMS Presence Wall/Floor Motorized has a new elegant color option – Dark Grey, and a brand new mounting option, a Flipster rotatable mount for interactive displays that are able to switch between landscape and portrait orientation. Just as before, SMS Presence Wall/Floor Motorized makes it easy to mount large and heavy displays on regular walls. The smart design shifts the weight to the floor. Installation is quick, easy and stylish. A perfect support in the lobby area or conference room. Furthermore, the stand itself uses very little floor space and is perfect in small spaces where a bracket with legs would be in the way. Everyone can reach thanks to the soft motorized height adjustment. The SMS Presence Wall/Floor Motorized is extensively pre-mounted for easy installation.

PRODUCT INFO

K05-142-62

SMS Presence W/F Motor 600x400 EU
Alu/DG

INCLUDED PRODUCTS

1 x 03-009-6
