

## Hybrid Meetings with TOTEM 180

Create a highly efficient and immersive meeting environment and bring teams together in an instant. IPEVO TOTEM 180 is a unique, portable conferencing camera, that can be instantly deployed in the meeting room where it's needed.

### 180° Panoramic Image

Capture everyone at the table via two 4 MP cameras that provide a seamlessly stitched 180° view, free of spatial distortion.

### Portable Camera for Multiple Meeting Rooms

Deploy TOTEM 180 in any meeting room and instantly upgrade it into a hybrid conferencing space. All it takes is to plug in a USB cable. Bring teams together anytime you need to, without waiting for conferencing room availability.

### Two Camera Modes

When huddling, you can switch to the 120° camera mode to adapt the view to fewer meeting participants.

### AI-Enhanced Meetings

Activate AI Stage Auto Framing, and it will automatically follow the movement of the presenter, or it will frame all the meeting participants, keeping everyone in the shot.

### Works with Everything, Instantly

Plug and play compatible with Zoom, Google Meet, Skype, Microsoft Teams, and more on Windows, Mac, and Chromebooks.
