# 1 Product Overview

The high-stability rolling stand features four quality 360-degree casters that can move in all directions with brakes. It can fit perfectly in any office or meeting room. It is sold independently as an optional component of IdeaHub.

## 1.1 Wall Mount Bracket for 65-inch, 75-inch, or 86-inch Model

The wall mount bracket adopts the square vertical frame design. The unique diagonal vertical support structure effectively reduces the load-bearing requirements on the wall. For details about the load-bearing requirements, see the *Quick Installation Guide*. It can fit perfectly in any office or meeting room.
