

BenQ Ergo Arm

Handles Any Monitor, Any Weight

2 - 20 kg

Max 45"

75*75
100*100
mm

BenQ Ergo Arm offers wide weight capacity from 2 to 20 kg to support your screen, even with a webcam and light bar. It ensures stability, ergonomic comfort, and a clutter-free desk space.

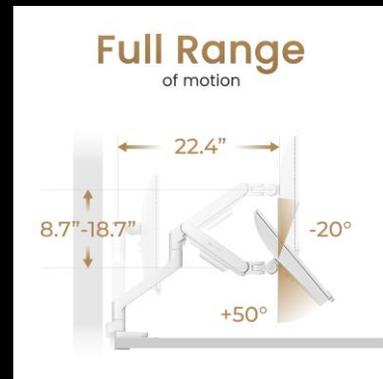

The gas spring ensures steady, long-lasting support for your monitor and additional gear. Its advanced tilt mechanism keeps the screen securely in place, unlike standard locking systems.

Reinforcement Plate prevents desk damage

Top mounting C Clamp or grommet base

Adjust your screen freely for ideal setup

Because it matters
