Meet the first enterprise-class universal docking station to deliver 100W of power via USB-C while supporting up to four 4K extended displays. Ideal for large enterprises – the Universal USB-C™ Quad 4K Docking Station with 100W Power Delivery maximizes workstation views while keeping your device powered. Dual DisplayLink® DL-6910 chip technology supports up to four DisplayPort (3840 x 2160 p60) or HDMI (3840 x 2160 p50) displays. The numerous additional USB ports connect essential peripherals, while the Gigabit Ethernet network ensures a reliable connection to your wired network. Charging tips and a USB-C to USB-A adapter are included to make this dock compatible with a variety of legacy laptops from major brands.
