

Leddy Free for Samsung the Wall All-In-One

Leddy Free for Samsung IAB & IAC

This Leddy is crafted to fit perfect together with the Samsung All-In-One LED displays from 110" to 146" and will make the installation quick and match perfectly together.

You can place the Leddy Free floorstand in any showroom or open area and your message on the display will glow.

This freestanding version looks impressive even from the back, thanks to its discreet back cover.

Adjustable feet ensure stable and level placement on any floor, while cables remain neatly concealed behind magnetic leg covers on both sides of the stand.

Follow these links to learn more about the displays:
