When style meets flexibility

Our Leddy Free series is built around a **modular, streamlined design** that adapts effortlessly to a wide range of configurations – including All-In-One LED solutions. Whether you're scaling up or customizing for a unique setup, adapting has never been easier.

Installation is **fast and hassle-free**, giving you back valuable hours typically lost in image tuning. We've engineered the assembly process to be as efficient as possible, so you can focus on what matters most.

With **machine-driven precision**, we eliminate the variability of manual adjustments. Every alignment, every fitting – flawlessly handled by machines for consistently perfect results.

Designed with a **furniture-like aesthetic**, our product blends seamlessly into its environment. The look and feel complement interiors, prioritizing harmony over hardware.

The SHARP-NEC LED-E015i-135 display is designed for quick and easy set-up, the product is light weight and super slim for unobtrusive integration. Making it a perfect match for SMS Leddy Free.
