Fit Mobile Cart for Interactive Displays **SKU: RFCUB**

The Fit™ Mobile Cart for Interactive Displays is designed for flexibility. Move TVs for optimal viewing and collaboration for corporate, education and many other spaces! This mobile AV cart accommodates flat panel displays from 55" to 86" and up to 175 lbs (79 kg). While Fit Mobile cart has a low-profile and slim footprint, it was built to maintain stability while users interact with touchscreen TVs. This cart is the right fit for any space needing efficiency, easy collaboration, and maneuverability.

Product Features:

- Supports VESA mounting patterns from 200x200 to 800x600.
- Three selectable height locations at 44" (112cm), 52" (132cm) and 60" (153cm) accommodate accessibility for a wide range of users.
- Height-adjustable shelf is included to store up to 10lbs of accessories like keyboards, laptops, and styluses.
- Robust 4" casters and compact 29" legs enhance safety and maneuverability, reducing trip hazard and moving through standard doorways with ease.
- Interface included for displays with larger than 400x400 VESA mounting pattern.
- Assembles quickly with many pre-assembled parts and can ship on a standard pallet for rapid deployment.
