HI-ND

FLOOR/FLOORSTAND

FLOORSTAND LITE

Create an exclusive look Our Floorstand Lite is designed for displays in sizes 49" to 55". We use a printed glass on the pillar below the display. This feature gives an exclusive feeling. It is perfect for conference rooms and office environments. Displays can be used in both landscape and portrait mode. We recommend to add HI-ND front cover when a white Floorstand Lite is used. Wheels can be added to the product, creating a portable option.

SPECIFICATION
