

Smart ideas for the bigger picture.

celexon - your specialist
for home cinema and AV solutions

PRODUCT DESCRIPTION

The celexon laser presenter are an ideal tool to help with presenting to an audience in business or for training purposes. Thanks to its wireless connectivity, it is possible to move freely around the room whilst presenting. Use the integrated laser pointer to bring the audience's attention to particular parts of the slide, allowing for a more engaging presentation. With the touch of a button, you can quickly and easily navigate through your slides and activate other functions.
