## Caution:

- Mounting should be done by a qualified technician.
- Make sure that the mounting (ceiling) area has sufficient strength.
- Read the enclosed Installation instructions thoroughly before starting. The instructions for installing the dropprevention wire are given in the Installation Instructions for the base mount bracket.
- Do not use an electric screwdriver or impact driver to tighten screws.

Use a torque driver or hexagon torque wrench and tighten screws to the torque specified in the instructions.

- When the product is no longer going to be used, have it disposed of quickly by a professional disposal service.
